December 7, 2023 at 7:59 am PT. [Check it out](#) (Affiliate link)

Humble Bundles

Several Game Development Humble Bundles are currently available:

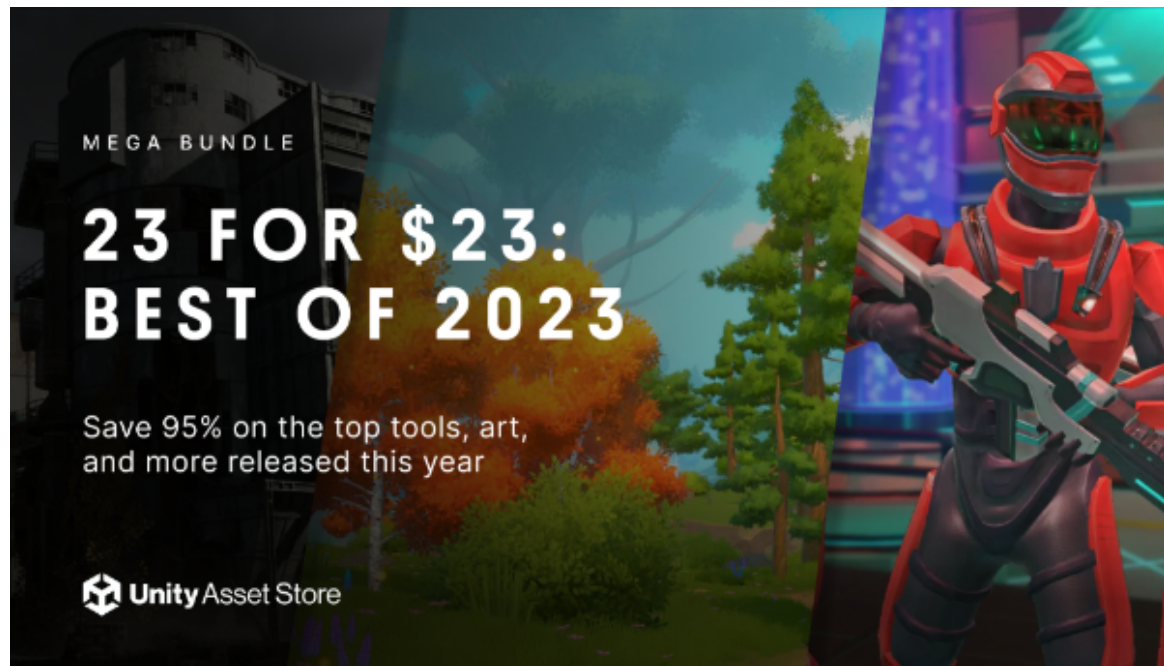

The Ultimate Game Development Bundle: Open the door to a dizzying universe of game development possibilities with this bundle of Unreal Engine and Unity assets. You'll get a vast trove of ready-to-use game assets for the two most popular game engines in the world—everything from gritty cyberpunk sets and serene seaside vistas, to weapons from across history, high quality icons for your UI, and stunning special effects. Also included in the bundle are a host of tutorials to broaden your skillset, as well as handy plugins that you can quickly add to your workflow. Pay what you want for this vast toolbox of assets valued at over \$3,000 and help support Direct Relief with your purchase! [Check it out](#) (Affiliate link)

2D Game Creation Mega Bundle: Full game asset kits for your 2D game! Game developers, build your 2D game with this massive bundle of art and sound assets from GameDev Market. This varied and versatile collection features characters, creatures, UI elements, environments, music, and SFX for a variety of 2D game genres. Create your outer space epic, zombie apocalypse, or whatever game

you're imagining—and help support Save the Children with your purchase. [Check it out](#) (Affiliate link)

Learn to Create Game Art in Blender: Your complete Blender learning kit! Learn Blender with the help of the creators at GameDev.tv! This comprehensive bundle features everything you need to get started or level up your skills with the free, open-source 3D art software. Learn about animation, rigging, modeling, environmental art, and more with GameDev.tv's courses. Pick up Alpha Brush Packs and materials to help carve out details in your creations. Get a complete kit for your Blender learning journey, and help support One Tree Planted with your purchase! [Check it out](#) (Affiliate link)
